SK-01 Actual product photographed

PP-01 Sourced to order, photo for illustration

Solar lighting kits

Complete plug-and-play kits for staff housing, cattle posts, guard rooms, market stalls and homes without grid power.

SK-01

Yobolife Solar Digital Kit LM-3605

Solar panel, lamp unit with torch, 3 bulbs. Up to 25 hours of light on the pack rating.

SK-02

Yobolife Solar Digital Kit LM-3607

Solar panel, lamp unit, 2 bulbs. Up to 20 hours of light on the pack rating.

SK-03

Yobolife Solar Digital Kit, LED panel lamp

Solar panel, LED panel lamp with torch, 3 bulbs. Up to 25 hours on the pack rating.

SK-04

GDLITE 3 Solar Lantern Kit

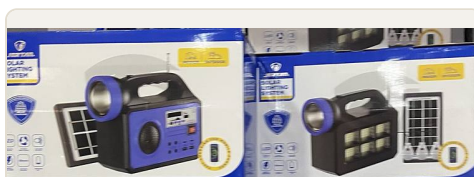

Solar panel, lantern, 3 bulbs and mobile phone charging.

SK-05

GDTIMES GD-201 Solar Light

Solar panel, lamp unit with torch and 3 bulbs in a carry box.

SK-06

Jortan Solar Lighting System

Solar panel, lamp unit with torch and built-in radio speaker, 3 bulbs, phone charging. Indoor and outdoor.

Portable power stations

Backup power for offices, camps, lodges and field teams: run lights, charge phones and laptops, and power small AC appliances.

PS-01

GDLITE GDMAXX GD-9001 Pro

- 150 W multi-function charging kit
- A-grade LFP battery
- AC output, USB output and 12 V connector
- Side lamp and flashlight, LCD display
- 3 bulbs included; solar panel optional, packed separately

PS-02

GDSUPER GD-1225 AC Energy Storage System

- 150 W AC output
- USB and 12 V / 5 V outputs, power bank
- LED light, 2 hanging lamps
- Mosquito repellent lamp, LCD display
- External battery connection

PS-03

GDSUPER GD-1215 Emergency Portable Light

- 12 V 15 Ah (12 V 8 Ah model also available)
- LED flood panel
- USB output, power bank, 12 V output
- 3 bulbs included

All-in-one solar lights that charge by day and switch on at dusk. No trenching, no cabling, no electricity bill.

**OL-01**

Jortan Solar Garden Street Lamp 1000W

- Integrated solar panel, pole-top head
- IP66 waterproof
- Light control and motion sensor
- Remote control with timer
- For yards, parks, roads and farms

**OL-02**

Jortan Solar Street Lamp 400W

IP66 all-weather housing, light control, timer and remote control.

**OL-03**

Jortan Solar Street Lamp, twin COB

Integrated solar panel with remote control. For roads, courtyards and camps.

**OL-04**

Jortan Solar Street Lamp, 8-panel COB

Integrated solar panel with remote control.

**OL-05**

Jortan Solar Wall Lamp

Wall-mounted solar light with motion sensor for doors, gates and perimeter walls.

Project and bulk supply

- Poles, brackets and fixings on request; installation teams available
- Quantity pricing for villages, compounds, lodges and mine camps

WiFi cameras you can watch from your phone, for shops, stores, yards, farm gates, lodges and site offices.

**SC-01****Jortan JT-9680 Dual-Lens WiFi Camera**

- Gun-and-ball linkage, two lenses
- HD picture, two-way voice
- Red and blue alarm light
- AI detection

**SC-02****Jortan Triple-Lens WiFi Camera**

- Gun-and-ball linkage alarm monitoring
- IP66, indoor and outdoor
- Live view on your phone

**SC-03****Jortan WiFi Bulb Camera**

- Screws into a standard light socket
- IP44, pan-and-tilt head
- Live view on your phone
- White or black

Installation service

- Site survey and camera positioning
- Mounting, set-up and phone app pairing
- Pairs with our solar lights and power stations for off-grid sites

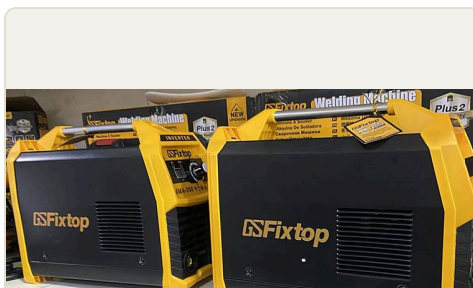

Tools for maintenance teams, workshops, builders and contractors.

TW-01

Dunlandi 18V Lithium Electric Drill

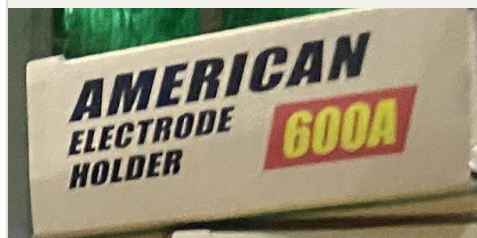

- Cordless, 18 V lithium battery
- 10 mm chuck
- Torque 25–60 N·m
- No-load speed 0–1450 r/min
- 100% pure copper motor

TW-02

GS Fixtop Inverter Welding Machines

- MMA-200 and MMA-250 models
- Compact inverter stick welders
- Carry handle, digital current display on MMA-200

TW-03

Electrode Holder 600A

American-type welding electrode holder, 600 A.

TW-04

GS Fixtop power tools

Grinders, drills and other workshop tools. Ask for the models currently available.

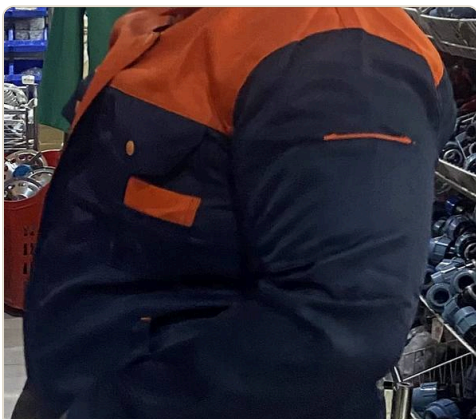

Two-tone work jacket

Hard-wearing two-tone jacket for site crews, drivers, workshop and farm staff. Ask us about other colours and matching trousers.

**WW-01**

Two-tone work jacket, navy and orange

- Navy body with orange yoke, collar and trims
- Long sleeves with press-stud cuffs
- Two chest pockets and side pockets
- Concealed front fastening
- Sizes on request

**WW-01**

Side view

Orange sleeve and pocket trims.

**WW-01**

Back view

Full orange back yoke.

Head-to-toe protection

Personal protective equipment for every job on site, supplied per person or per crew. Sourced to order to your specification and sizes.

**PP-01**

Hard hats

Standard and vented shells, chin straps, sun brims and cap-lamp brackets. White, yellow, red, blue, green.

**PP-02**

Eye protection

Clear and tinted safety spectacles, dust goggles, grinding and chemical-splash face shields.

**PP-03**

Hearing protection

Ear muffs, helmet-mounted muffs, corded and uncorded ear plugs, dispensers.

**PP-04**

High-visibility vests

Lime and orange reflective vests, zip or hook-and-loop front, with ID and radio pockets.

**PP-05**

Work gloves

Leather, rigger, welding, cut-resistant, nitrile, PVC and chemical gloves.

**PP-06**

Safety boots

Steel-toe ankle boots and shoes, slip- and oil-resistant soles. Men's and ladies' sizes.

Specialist protection for workshops, plant, confined spaces and work at height.

PP-07

Coveralls and conti suits

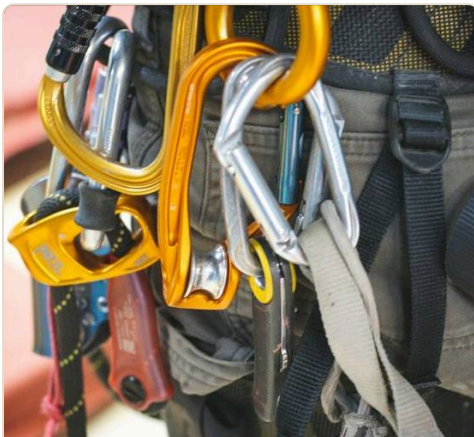

One-piece overalls and two-piece conti suits, plain or with reflective tape. Flame- and acid-resistant fabrics on request.

PP-08

Welding protection

Welding helmets, auto-darkening lenses, leather aprons, spats, sleeves and gauntlets.

PP-09

Fall protection

Full-body harnesses, shock-absorbing lanyards, karabiners, lifelines and anchor straps.

Also supplied to order

- Dust masks and FFP2 respirators
- Half- and full-face respirators with cartridges
- Rain suits, freezer jackets and thermal wear
- Knee pads, back supports and sun-protection neck flaps
- Disposable coveralls, hairnets and shoe covers
- Gumboots, including steel-toe mining gumboots

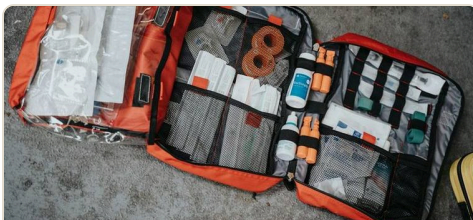

Equipment that keeps a site compliant and ready for an emergency. Sourced to order; tell us your inspection requirements and we will match them.

SE-01

Fire extinguishers

Dry chemical powder and CO2 units from 1 kg to 9 kg, brackets, cabinets, fire blankets and hose reels.

SE-02

First aid kits

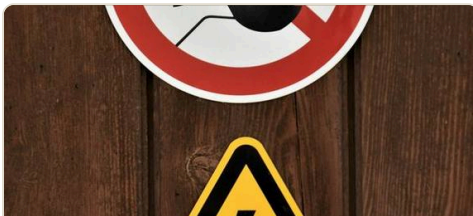

Regulation workplace kits, vehicle kits, burn kits, refills, stretchers and eye-wash stations.

SE-03

Cones and barriers

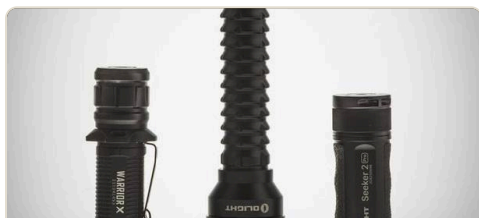

Traffic cones, delineators, barrier tape, barricades, speed humps and wheel chocks.

SE-04

Safety signage

Mandatory, warning, prohibition and fire signs, made to size with your site wording.

SE-05

Torches and lamps

Rechargeable torches, headlamps, cap lamps and work lights.

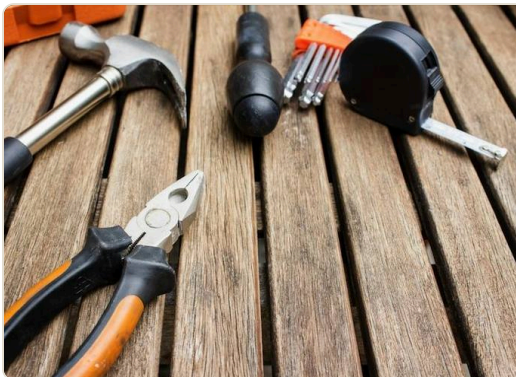

SE-06

Two-way radios

Handheld radios, spare batteries, chargers and earpieces for site and security teams.

From first exploration camp to operating plant. Send us your site requisition and we will price the whole list.

MN-01

Hand tools and workshop consumables

Spanner and socket sets, hammers, grinding and cutting discs, welding rods, drill bits, fasteners, lubricants.

MN-02

Mining gumboots and wet-work gear

Steel-toe gumboots, rain suits, PVC gloves and aprons.

MN-03

Water storage

Water tanks, stands, pumps, hoses and fittings for camps and plant.

Camp and site supply list

- PPE issue packs per employee (pages 9–10)
- Fire, first aid and signage (page 11)
- Solar lighting and backup power (pages 3–5)
- Cameras for stores and gates (page 6)
- Sample bags, tags and core trays
- Tents, stretchers, mattresses and bedding
- Generators, extension reels and work lights
- Cleaning, hygiene and drinking-water supplies

Water, fencing and tools for crop and livestock farms, gardens and agri projects.

FM-01

HDPE compression couplings

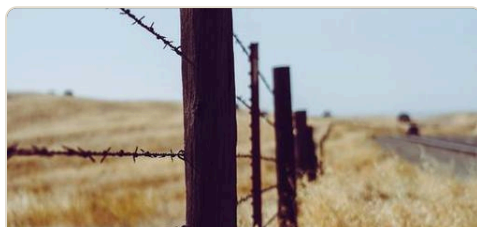

Blue compression fittings for poly pipe. Couplings as pictured; elbows, tees, reducers and valves on request.

FM-02

Irrigation

Poly pipe, drip line, drippers, sprinklers, filters and timers.

FM-03

Fencing

Barbed and plain wire, mesh, droppers, standards, gates and electric-fence energisers.

FM-04

Wheelbarrows

Builder's and farm wheelbarrows, spare wheels and tubes.

FM-05

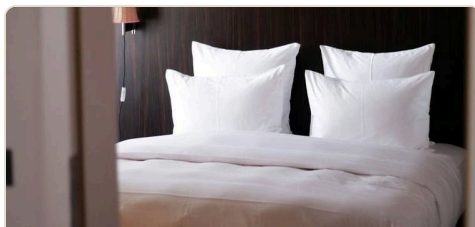

Hand tools

Spades, forks, rakes, hoes, pangas, axes and pruning shears.

Also for the farm

- Water tanks, troughs and pumps
- Knapsack sprayers and shade net
- Solar lights for kraals and homesteads (pages 3–5)
- Gumboots, overalls and gloves (pages 9–10)
- Gate and store cameras (page 6)

Room, housekeeping and back-of-house supplies for hotels, lodges, guesthouses and camps.

HT-01

Bed linen

Sheets, duvet covers, pillowcases, duvets, pillows and mattress protectors in hotel white.

HT-02

Towels

Bath sheets, bath, hand and face towels, bath mats and pool towels.

HT-03

Guest amenities

Soap, shampoo and lotion dispensers, refills, tissues and room accessories.

HT-04

Cleaning and housekeeping

Detergents, sanitisers, spray bottles, mops, buckets, cloths and trolleys.

HT-05

Double-wall glass bottle 350 ml

Glass bottle with tea strainer, screw lid and carry strap.

HT-06

Floor and guest safety

Wet-floor signs, fire equipment, exit signs and first aid kits (page 11).

Front-of-house and kitchen supplies for restaurants, canteens, caterers and mine or lodge kitchens.

RK-01

Cookware

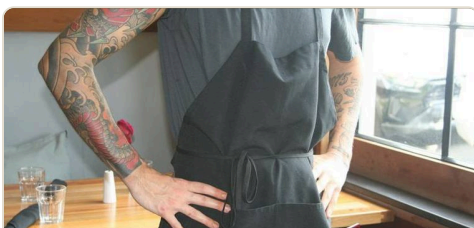

Stock pots, saucepans, frying pans, roasting trays and lids in stainless steel and aluminium.

RK-03

Crockery

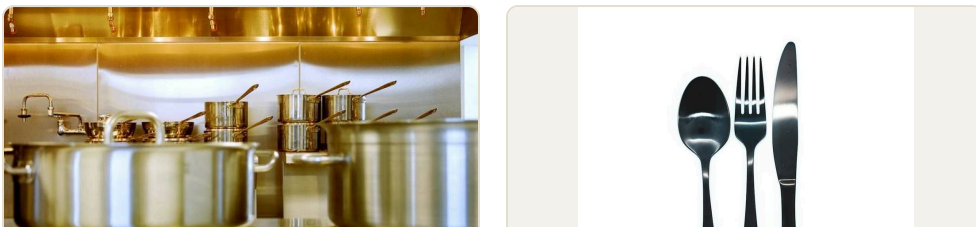

Dinner and side plates, bowls, cups, saucers and serving platters.

RK-05

Aprons and uniforms

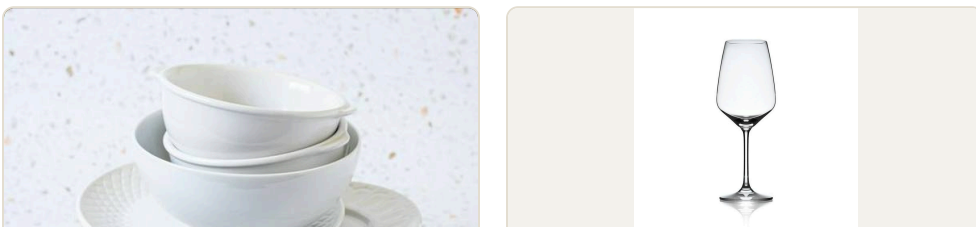

Bib and waist aprons, chef jackets, trousers, hats and waiter uniforms.

RK-02

Cutlery

Table knives, forks, spoons, teaspoons, steak knives and serving utensils.

RK-04

Glassware

Wine, beer, water and juice glasses, jugs and carafes.

Also for the kitchen

- Gas burners, urns and chafing dishes
- Food containers and takeaway packaging
- Chopping boards, knives and utensils
- Gloves, hairnets and hand sanitiser
- Fire blankets and extinguishers (page 11)
